## Hamilton Telephone Directory Cover Soars to New Heights

Hamilton Telecommunications is excited to announce the unveiling of our new 2009-2010 Directory. Each year, our staff strives to ensure that our directory continues to be a valuable resource for you, our customers, as well as for those who visit our local communities.

The 2009-2010 Directory cover photo is courtesy of Prairie Plains Resource Institute, "Griffith Prairie Walk." In the photo, students of the 2009 SOAR Program enjoy learning about the Griffith Prairie farm located near Marquette, Nebraska.

SOAR (Summer Orientation About Rivers) is a weeklong educational program for youth that incorporates natural sciences, art, history and writing into visits to natural and historic sites in and around the Platte River. To learn more about Prairie Plains Resource Institute and SOAR, visit

www.prairieplains.org.

Along with white page listings for our nine telephone exchanges, you will find listings for the nearby communities of Central City, Grand Island, Henderson, and Hansen.

Additional copies of the directory are available at the Hamilton Telecommunications office.

## Remember to Recycle Old Directories

Hamilton has long believed in the importance of using our natural resources responsibly. That's why we offer directory recycling services.

You can drop off any old directories you have (ours or others) at our local office. You'll be helping to benefit the environment by saving directories from the landfill and enabling them to be used to make items such as ceiling tiles, textbooks, and insulation. Thanks for your support.

## Hamilton Telephone Directory—Information You Can Use

## Quote of the Day

*"If you can dream it,  
you can do it."*

– Walt Disney

## Keeping in Touch with Long Distance Friends

**K**eeping in touch with long distance friends doesn't have to be difficult.

You can afford to call them more often when you have a Long Distance Plan from Hamilton Telecommunications.

Our plan gives you the phone freedom you want. You can place long distance calls anytime, to anywhere in the U.S., for only 13 cents a minute. You won't have to hassle with time restrictions, keeping track of minutes, or waiting until a certain time of night to call. If you feel like talking, just

pick up the phone. It's that simple!

You may be surprised at how much you'll save when you switch to Hamilton Long Distance. And as your local provider, we offer advantages that others can't match. Your customer service needs are met by people right here at home, and you'll enjoy the convenience of a single bill for both local and long distance service.

So keep talking and keep saving with Hamilton Telecommunications. For details, give us a call at (402) 694-5101.

## Never Miss a Call with Call Forwarding

**W**ith the Holiday season right around the corner, more time may be spent away from the home telephone. Call Forwarding lets you take your calls with you. It's an easy-to-use feature that allows you to have calls from your home phone automatically forwarded to another number, so that you can be sure to catch important calls.

You can schedule Call Forwarding for a particular day and timeframe, or as a recurring event. For instance, if you're frequently away during daytime hours,

you may choose to forward all calls to another phone every weekday, from 8:00 am to 5:00 pm.

Whether you're traveling for an extended period of time, or simply managing a busy day-to-day schedule full of work and family events, Call Forwarding gives you the freedom to be anywhere you need to be — without letting anything slip through the cracks.

To sign up for Call Forwarding, call Hamilton Telecommunications at (402) 694-5101.
